WALLY PORTER

...tells me that despite my use of a completely erroneous name in the Letter-to-the-Editor columns last week, he still is Plant Superintendent at Universal-Rundle.

It seems I wanted to save time and not re-type Wally's letter, which incidentally was an excellent acknowledgment to the Chamber of Commerce efforts of Texas Industrial Week, and the typewriter used by our copy setter just didn't interpret it correctly.

So when you visit Universal-Rundle or call out there ask for Wally Porter, because Mr. W.A. Carter just doesn't exist except in our typewriter that can write reading but can't read writing.

TOURISM

...is an industry. This is a difficult point to get across to many people, especially residents of small cities like Hondo.

Yet, the Medina County area benefits greatly from tourism--or one form of it, hunting. Each year thousands of hunters pour into the county from points elsewhere and spend money like it was going out of style, leasing land, buying supplies and dropping the coin of the realm throughout the county in an amount conservatively estimated at \$2,000,000.

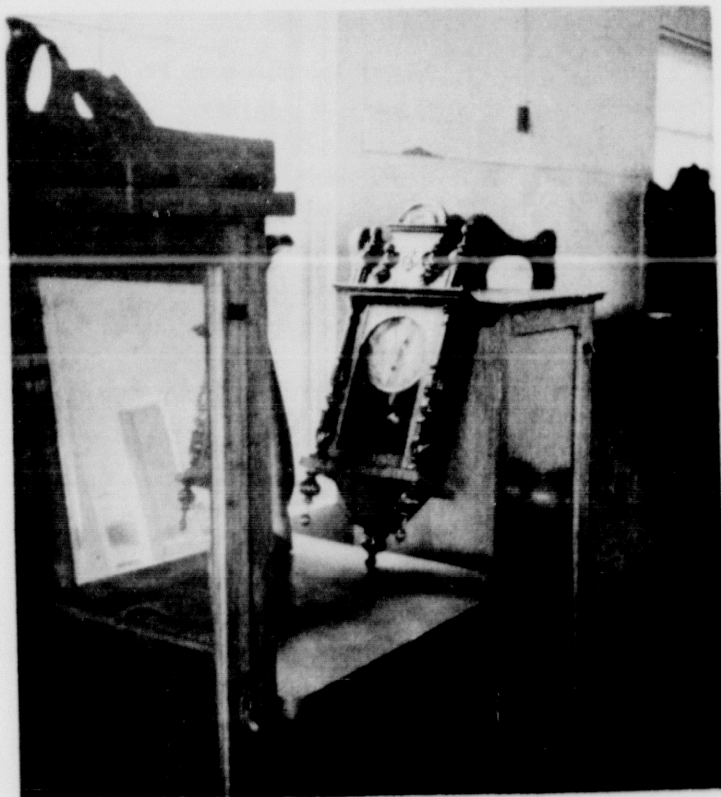

This is one facet of tourism that receives much local effort. Harry Filleman at the Chamber of Commerce says it's difficult to estimate the number of leases obtained by hunters through his office.

"We are sort of a clearing house for hunters and landowners," he said. "And our efforts have received widespread attention in other areas, for we have received letters asking how we do it."

Hondo long has provided the beauty of the Hondo Garden Club efforts along the highway and railroad track. This beauty spot alone has elicited numerous comments praising the town and the Garden Club. It also has brought people through here just to see the area and go back home for an attempt at copying it.

The Hondo sign, perhaps, is Hondo's biggest "seller" when it comes to attracting attention. But it might have not gone world-wide had not the Hondo Lions Club decided

Cloud-seeding Program

Chances of obtaining help from government are dim

News stories over the wire services say that a cloud-seeding program is being carried

out in Oklahoma at the present time. Medina County, the City

of Hondo and the Hondo Chamber of Commerce last week sought help from Con-

gressman Abraham "Chick" Kazen in initiating such a program.

His letter arrived in a letter addressed to County Judge Jerome Decker. It reads:

Dear Judge:

This will acknowledge receipt of the telegram signed by you, the Mayor and Manager of the Chamber of Commerce alerting me to your fear of another crop loss due to your extended drought and seeking another cloud seeding program.

Unfortunately, there is only one program available to us which would allow the Bureau of Reclamation to conduct the program as they did last year for us. This is the emergency program for disasters as administered under the law by the Office of Emergency Preparedness. This agency goes into action to assist the stricken area after the President issues his Declaration following receipt of the Governor's request for needed emergency assistance for an existing disaster.

I have been discussing your situation with some of my colleagues from the Southwest as their areas are now faced with an extreme drought situation and they tell me their repeated requests for help from OEP have so far all been turned down. In talking with the officials in the Bureau of Reclamation to arrange for their help in starting a cloud seeding operation for Medina County now, I am presented with the fact that they have no authority at this particular time to conduct the program. They strongly advise that contact be made by County and City authorities with the Texas Water Development Board which has weather modification authority and responsibility in Texas as the Board would have to be involved in such action under any planned Federal project.

Please keep me posted of local activities and developments as I shall be watching the situation closely from here. I certainly hope early action can be taken to prevent a recurrence of a crop failure.

Sincerely,
Abraham Kazen, Jr., M.C.
As of Tuesday, no follow-up action had been taken on Rep. Kazen's suggestion about the Water Development Board, but Judge Decker indicated that other contacts will be made in an effort to stave off such a drought.

Resolution honors Bippert

The late Nelson Bippert, a native of Rio Medina and Hondo Owl Coach for three years, was honored by the Texas House of Representatives in its recent Special Session.

House Resolution No. 38, introduced by Rep. John Poerner of Hondo, paid tribute to the young coach.

It read:

By: Poerner H. S. R. No. 38
RESOLUTION

WHEREAS, On March 15, 1972, citizens of Hondo suffered the loss of one of their most esteemed and beloved citizens with the untimely death of Nelson Bippert at the age 34; and

WHEREAS, One of the most popular and successful football coaches in the South Texas area, Nelson Bippert was also active in civic affairs and his influence will be felt for many years as the young people of Hondo reach maturity and make their own contributions to the community; and

WHEREAS, Nelson Bippert was also a loyal and patriotic American; he held the rank of First Lieutenant in the United States Army Active Reserve; and

WHEREAS, Born in San Antonio on September 17, 1937, he attended schools in Castroville; he was the son of Mrs. Martha Bippert and the late Clarence Bippert; and

WHEREAS, After graduating from The University of Texas at Austin, Mr. Bippert began his teaching and coaching career in Pearsall, Texas, in 1961, where he served for the next three years as assistant football and head basketball coach; and

WHEREAS, From 1964 to 1969 he was assistant varsity football coach at Oliver Wendell Holmes High School in San Antonio; he left that post in 1969 to become head football coach in Hondo High School, a position he held until his death; and

WHEREAS, During the brief three years in which he coached at Hondo, Coach Bippert led his teams to one victory after another, always instilling in them the highest principles of sportsmanship and inspiring them to even greater effort; in his first year at Hondo, the football team became regional champions; in the second year, the team won the district championship; and in the past season, the Hondo team became Class AA champions in the state quarterfinals; and

WHEREAS, Coach Bippert left a host of colleagues and friends who share the grief of his family in their great loss; he is survived by his wife, Mrs. Gaye Griggs Bippert; a daughter, Brenda, and a son, Monte, all of Hondo; and his mother, Mrs. Martha Bippert of Castroville; now, therefore,

be it

RESOLVED by the House of Representatives of the 62nd Legislature, 2nd Called Session, That this Resolution stand in memory of Nelson Bippert as a tribute to his outstanding leadership and his contributions to the youth of Hondo and of all Texas; and, be it further

RESOLVED, That copies of this Resolution be prepared for the members of his family, and that when the House of Representatives adjourns this day, it do so in memory of Nelson Bippert.

Signed: Rayford Price
Speaker of the House

Boy Scout meeting scheduled

A special meeting for members of the Boy Scout Fund Drive has been slated for 7:30 p.m. today (Thursday) at the K&B Drive In.

Purpose of the meeting is to hear reports on the drive and turn in contributions made so far.

E. F. Duberstadt, District Executive Director, Chairman Robert McGarity and Treasurer W. T. Crow will be present. All officers, workers and the public are invited to attend the meeting.

YOUR SUPPORT of Museum Celebration Day will go a long way toward building a fine Museum for our county and tourists passing through Hondo.

Every one is concerned about rainfall. Farmers and ranchers depend on rainfall for their crops. Home owners like to have rain on their yards and gardens. The economy of Medina County is greatly affected by rainfall.

An analysis of Rainfall Records for Hondo reveal some interesting facts.

Eighty six continuous years (from 1885 to 1971) of rainfall records are available for Hondo.

The annual average of these years is 28.46 inches, with 45 years or 52 per cent being below average and 48 per cent or 41 years above average. Sixteen years had less than 20 inches of total rainfall. Sixteen years or, almost 20 per cent of the years, had over 35 inches of

A fire is messy

The fire that consumed most of the small trailer house alongside the railroad track near Hondo Implement Co. Monday afternoon certainly made a mess of the insides.

Hondo Garden Club says "Say it with flowers"

This week in National Garden Club week and the Hondo Garden Club is celebrating it in a unique way.

Instead of a flower show this year, members are taking their plants and arrangements to the people of Hondo many of whom would not be able to come to such a show.

Flowers are being taken to patients at Browns Nursing

Home, Mrs. J. E. Shows' home, Medina Memorial Hospital and to shut-ins in their own homes.

Similar floral gifts are being taken to special friends, people who have helped the club all these years, including various business places in town.

Members are doing this on their own, all week, and

will report the result of this effort at the May 6 meeting. Members are asked to contact Mrs. Robert Peden, Coordinator, to be sure efforts are not duplicated and that no one is overlooked in this community courtesy.

The Junior Garden Club is participating by taking plants and arrangements to their home rooms at school.

Rainfall history is interesting

rain.

Six years show over 40 inches of rainfall. The record high was 1919 when the total for the year was slightly over 60 inches. The lowest year on record for Hondo was 1954 when the total rainfall was only 11.9 inches. In 1901 the total for the year was 12.25 inches.

The longest period of below average rainfall on record was 13 years extending from 1890 to 1902.

The drought of the 1950's lasted from 1950 to 1956, a period of seven years.

Averages by months are: January, 1.9 inches; February, 1.8 inches; March, 1.6 inches; April, 2.6 inches; May, 4.3 inches--High; June, 3.0 inches.

July, 2.4 inches; August,

2.2 inches; September, 3.7 inches; October, 2.6 inches; November, 1.4 inches--Low; and December, 1.7 inches.

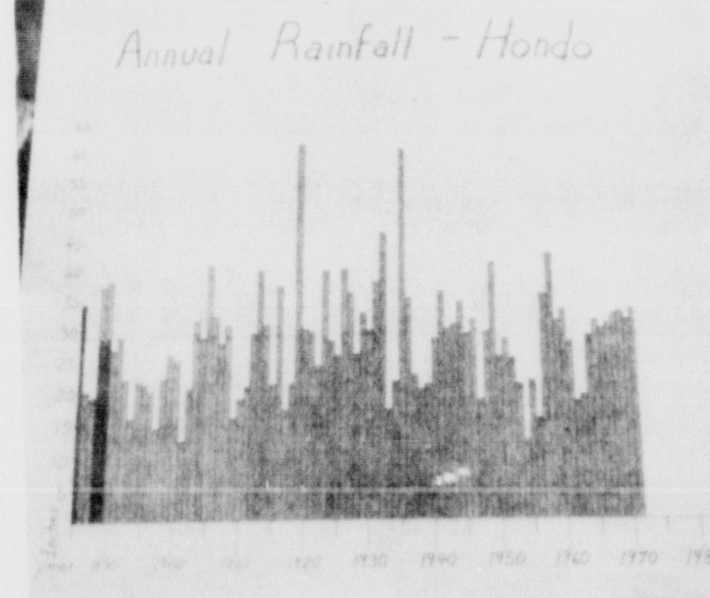

All of these figures indicate that NORMAL rainfall is extreme fluctuations.

If we use the past to predict the future we can expect more years of below average rainfall than years above average. Approximately one year out of 10 will be extremely dry.

We have not yet learned to control the weather. But, we know of several ways that rainfall and water can be conserved. Total rainfall is not an indication of crop yield or forage production. It is only the water that gets into the soil to be used by crops that is productive. Water that runs off of bare ground

or over grazed rangeland does not produce crops or forage.

It's the rain that gets into the soil that counts.

UPS AND DOWNS
...of rainfall in county.

Anvil Herald says: 'Push John Traeger to Senate'

(Editor's Note: The Hondo Anvil Herald wants to go on record endorsing Rep. John Traeger of Seguin as the man to promote to State Senator in Senatorial District 21. We wanted to put this endorsement in our own words, but on reading the Seguin Enterprise of April 13, we found Publisher Otha Grisham's column presented our desire in a much better fashion than we could. So the reprint of Grisham's column below can be considered our official endorsement of John Traeger of State Senator.)

Over Otha's Shoulder

By OTHA GRISHAM -
Enterprise Publisher

THE TIME HAS COME to get down to brass tacks and lay the issues of the 21st Senatorial District campaign on the line. Seguin's State Rep. John Traeger is making the race for state senator and I am here to tell you that we owe it to ourselves to see that he is elected.

FOR TEN YEARS John Traeger has served as an effective legislator in Austin who has worked hard to provide responsive, economical state government. We, the people, will be the winners when John's service in Austin is extended in the state senate. SENATE DISTRICT 21 as it is now composed includes about 120,000 residents of Bexar County. The other 16 counties in the district are Atascosa, Dimmit, Duval, Frio, Guadalupe, Jim Hogg, LaSalle, Live Oak, Maverick, Medina, McMullen, Starr, Webb, Wilson, Zapata, and Zavala. This, then, lays out the geography. The nuts and bolts of the campaign are these: An estimated 75,000 to 80,000 votes will be cast; there are three candidates, all members of the Texas House of Representatives (Traeger of Seguin, Honore Ligarde of Laredo, and Oscar Carrillo Jr. of Duval County). TO MY MIND, the main issue in this campaign is EFFECTIVE representation. John Traeger's record proves that he can provide just that—EFFECTIVE work in the Texas Senate. WHAT IS THE Traeger record? We can use the 62nd Session of the Texas Legislature as a guide, and point to the fact that John Traeger introduced 34 bills, passed 29, lost one, and saw four others dropped because they were

similar to other legislation. Example: Traeger sponsored H. B. 56, which allows \$600 grants for needy students in the state's private colleges (this might be the savior of institutions like Texas Lutheran College, TCU, SMU, Baylor, and other church-related or private colleges or universities, but more importantly, it provides assistance for young people seeking an education).

OTHER EXAMPLES: John Traeger authored the bill to remove the extra two-cents per gallon gasoline tax that many folks favored and which almost passed last year; another Traeger bill created for the Cities of Schertz and Universal City a water district which will allow for a badly needed joint sewage disposal plant; still another act introduced by Traeger enables river authorities to utilize property they now own for recreational use by the general public; and, yet another bill by Traeger imposed new banking regulations during a session when some banking irregularities became the number one news story in the state.

TRAEGER IS ON RECORD for some badly needed reforms in state government, too. Examples: He authored constitutional amendments which will appear on the ballot this fall to establish four-year terms for statewide elected officials; to provide increased salaries for legislators; and, to provide increased salaries for the lieutenant governor and speaker of the house. These are, of course, controversial—and that's why the people have to pass judgement on them—but, they can be steps to upgrade state government as a whole.

SPEAKING OF REFORM (which many people are doing these days), John Traeger is on record for new rules in the House of Representatives. His was a key vote for the new speaker, Rayford Price, and there are those who will tell you that Traeger's influence was tremendous in the election of Price. And, to my mind, Rayford Price has already announced

more badly needed reforms than the House has seen in many, many, sessions. There are those, of course, who would make more drastic changes... but, at least we have a start.

YES, I'M CONVINCED that Rep. Traeger has set a high standard of legislative service. That's just what we need in state government during these trying times. No other candidate in the 21st Senatorial District race can match John Traeger's distinguished record of accomplishment and effective service to his constituents. And, now, Guadalupe is ready to share its representative in Austin with 16 other great South Texas counties in the state senate!

18-Year olds must register

AUSTIN, Texas—Colonel Melvin N. Glatz, State Director of Selective Service for Texas, has reminded young men of their requirement under Federal Law to register with Selective Service.

Some young men may believe that because future military manpower requirements may be met by volunteers that the requirement to register is past; however, the Law does require registration by all native born young men and all resident-alien within 30 days of their eighteenth birthday. Legal registration may be completed 30 days before, or 30 days after the young man reaches age 18.

If a young man fails to register with Selective Service, he is subject to a fine or imprisonment, or both, under provisions of the Military Selective Service Act.

Complete registration information is available at each local draft board.

Note: Registrars for Medina County are Miss Cornelia M. Koch, and Mrs. Therese H. Fitzpatrick, Court House, Hondo; Mrs. Charlotte Lafferty, Castroville, and John Sollock, Jr., Devine.

Madelyn Fohn is '72

Homemaker

Madelyn Fohn has been named D'Hanis's Betty Crocker Homemaker of Tomorrow for 1972. She was chosen on the basis of her score in a written knowledge and attitude examination taken by senior girls on Dec. 7, and will receive a specially designed award charm from General Mills, sponsor of the annual educational program. Additionally, she is now eligible for state and national honors.

The State Homemaker of Tomorrow, to be selected from all school winners in the state in judging which will center on performance in the Dec. 7 test, will be awarded a \$1,500 college scholarship. Her school will receive a complete set of Encyclopedia Britannica. A scholarship of \$500 will go to the second-ranking girl in the state.

Rainbow Girls attend service

The annual group church attendance custom of Rainbow Girls was observed here Sunday when 24 Rainbow Girls were present for morning worship at First United Methodist Church.

In April of each year, the Worthy Advisor in office selects the church. Debra Delony, present Worthy Advisor and a member of the Metho-

dist Church, made the choice.

The girls sat in a center front section of the sanctuary which had been reserved for them. Accompanying them were Mrs. Mary Jane Marrs as Mother Advisor and Mrs. Elva Delony as assistant.

In the Sunday congregation were Debra Delony, Worthy Advisor; Debbie Howard, Dayle Marrs and Donna Wiemers as line officers; Alfreda Brookshire, Dale Duncan, Donna Embry, Shauna Graff, and Brenda Hardt.

Also, Kaye Martin, Linda Martin, Dianne Mummie, Michelle Sillman, Renie Gilliam, Pam Nester, Susie Witte and Jo Ann Coffey.

They were also accompanied by seven Past Worthy Advisors - Donna Coffey, Wernette, Gracie Brookshire, Georgia Landers, Lee Ann McWilliams, Crickett Schweers, Debra Leinweber and Janice Martin.

As a group, the Rainbows were introduced to the congregation. The message brought by the pastor, Rev. Homer Weimer, was directed to the special concerns of youth and their responsibilities in family relationships.

H.D. Council

elects officers

The Medina County Home Demonstration Council met in Devine recently. The following officers were elected: Chairman, Mrs. Nelda Lee from Devine Jr. club; Vice-chairman, Mrs. Sharon English, from Devine Jr. club; Secretary, Mrs. Doris Saathoff from the Hondo club; Treasurer, Mrs. Nancy Cox from the Devine Jr. club; and Reporter, Mrs. Amy Noblitt from the Natalia club.

The new District 13 organization meeting was held in Bandera April 6. The Devine Sr. club was in charge of registration, the Devine Jr. club had charge of the election, and the Hondo club presented the courtesy resolutions. Information for the year-book should be sent to Mrs. Noblitt, Rt. 1, Devine 78016, before May 1.

The next council meeting will be held in Devine on May 15.

This week

That's all she wrote

by Edna McDade

Last Friday morning's rain that made so much ado about almost nothing was the subject of conversation at the postoffice as folks compared reports.

Dr. O.B. TAYLOR told me that my query via this column last week prompted him to "get St. Peter on the horn" for firsthand information.

"He answered immediately," said Doc. "Told me that all things come to those who wait so, we'll just have to keep waiting." (Incidentally, Doc's degree is DDS -- not PhD but, his is a cheerful philosophy, whate'er betides!)

HILMER HAEGELIN contributed this yarn: One day when St. John's Father GEORGE STEUBBEN was visiting the Haegelins, the heavens roared and the lightning flashed (coincidentally, of course) and Hilmer suggested that it might be a good time to pray for needed rain.

Said Fr. George: "Let's hold out for better odds." Maybe we shouldn't hold out too long just now. We could all join in the old Methodist hymn: "Mercy drops round us are falling, but for the showers we pray!"

Besides, last week's telegram to Congressman KAZEN, re the matter of cloud seeding in Medina County, might get (s)election returns.

Hope springs eternal... Alexander Pope said so over 200 years ago and folks are still hoping.

Fifteen blocks in the hot sun of midday, bare-headed and without an umbrella (because it wasn't raining) is a mighty long way to walk to renew a subscription to the ANVIL HERALD, important as that matter is and appreciative as we are of a loyal subscriber.

Mrs. V.P. KING, who cheerily admits to being 86 and lets-nothing-her-dismay, came in smiling through the heat and said, "Hot as it is, it's worth the walk just to make sure my Herald keeps on coming!"

The walk to town was routine for Mrs. King who says "Exercise is what keeps the kinks and creaks out of my joints!"

WILLIAM and MARGARET (Dornbusch) REUS live in one of the attractive homes in Kollman Oaks with their two sons, BRIAN (7) a first-grader at Meyer Elementary, and PHILLIP (2 1/2).

Their mother says that Brian is not completely dedicated, yet, to the business of studying and learning (takes up too much time) although he does like his teacher, Mrs. HILSHER.

As for Phillip, right now he is trying to concentrate "on just growing up so I can DO things!"

As we waited in the City Hall for election return on April 1, I noticed a tie clip worn by City Police Chief JERRY WILLIAMSON. It bore the letters "P I G" and I had to know Why?

The Chief explained these stood for PRIDE - INTEGRITY - GUTS, a nationwide organization of law enforcement officers. And I think we'd have to admit that it takes a composite 33 1/3 percent portion of each of the three "ingredients" to qualify as a good peace officer these days.

Much is being published and talked about, currently, regarding the effect the newly granted youth vote will have on pending elections. A Texas survey made by UPI newsmen quotes responses from the 18-20 year olds and summarizes that ballots of these first-time voters "apparently will bear the same traces of apathy which have been characteristic of the electoral behavior of older Texas voters for years."

If this be so, the more shame to us "older Texas voters" for having set such an example of poor citizenship. What ever happened to Oliver Wendell Holmes's "...freeman casting with unpur-chased hand, The vote that shakes the turrets of the land"?

First thing we know, we'll be running out of freemen and turrets and goodness only knows what all else! May 6 is exactly two weeks from this coming Saturday. A good four-letter word to keep in mind is V*O*T*E.

Tell the election judge your conscience and civic pride sent you.

The Monon (Ind.) NEWS offers this bit of sage advice: "There's no point in meeting Trouble halfway. Let it travel the full distance--something might happen to it en route before it can get to you."

THIRTEEN YEARS AGO

WE TOLD YOU that a gigantic and powerful Conspiracy was hard at work to bring about in the United States the following objectives.

- (1) Greatly expanded government spending, for missiles, for so-called defense generally, for foreign aid, for every conceivable means of getting rid of ever larger sums of American money — as wastefully as possible.
- (2) Higher and then much higher taxes.
- (3) An increasingly unbalanced budget, despite the higher taxes . . .
- (4) Wild inflation of our currency, leading rapidly towards its ultimate repudiation.
- (5) Government controls of prices, wages, and materials, supposedly to combat inflation.
- (6) Greatly increased socialistic controls over every operation of our economy and every activity of our daily lives. This is to be accompanied, naturally and automatically, by a correspondingly huge increase in the size of our bureaucracy, and both the cost and reach of our domestic government.
- (7) Far more centralization of power in Washington, and the practical elimination of our state lines . . .
- (8) The steady advance of federal aid to and control over our educational system, leading to complete federalization of our public education.
- (9) A constant hammering into the American consciousness of the horror of "modern warfare," the beauties and the absolute necessity of "peace" — peace always on Communist terms, of course.
- And (10) the consequent willingness of the American people to allow the steps of appeasement by our government which amount to a piecemeal surrender of the rest of the free world and of the United States itself . . .

The above is quoted verbatim from the Blue Book of the John Birch Society, first published in 1959. And this projection of coming events has held up very well indeed against the history that has already run its course and that which is unfolding before our eyes today.

NO CLAIRVOYANCE was needed for any such forecast. The only requirement was a willingness to be realistic about what the Communists

and their bosses (whom we call the *Insiders*) were already doing. And in this same book we told you about many other subversive plans, already under way, that were designed to destroy our nation and the American way of life.

Few would believe us. In fact, very few even knew what we were saying. Our proved ability, however, to create understanding of the aims, methods, and menace of the Conspiracy, has been extremely disturbing to those at the top who really run the show. This is why The John Birch Society has been more viciously and extensively smeared than any other organization in American history. The *Insiders* were determined that our voice should not be widely heard.

But today you need only to look around you for a confirmation of our most disturbing analyses, and to see our saddest predictions coming true. What is more, despite every attack to which we have been subjected, and every handicap imposed on our progress, the Society is already by far the largest, strongest, most extensive, most influential, and — we think — the most effective voluntary anti-Communist organization anywhere in the world.

WHAT IS even more important, we believe that our membership as a whole is the finest body of men and women on earth today. Our total strategy is education, and truth is our only weapon. Our books and magazines and pamphlets, our speakers and films and tapes are telling an ever larger audience, with even more authoritative knowledge and documentation, of many far worse things in the Communist blueprint for our country than those that have already happened. And also how to prevent the ultimate disaster.

IF YOU wish to do your part to save our once glorious inheritance, our freedom, and our lives, from the encroaching tyranny, you should put your effort where it will count the most. We suggest that you learn more about us, judge us for yourself. Without incurring any obligation, simply write our local chapter — care of

Welcoming Committee says "Hi"

... On hand to greet their Old World cousins, Eduard and Johanna Finger, when they arrived in Houston from Paris on April 9 were their Texas cousins, all happily congregated in this picture made at the airport:

Charles and Henry Martin Finger, Mrs. Josie Finger, Mrs. Bertha Koch Bowen, Joe W. Rothe, David Zinsmeyer, and Mr. and Mrs. J. Melvin Finger who are hosts for the visitors who are second and third from left.

The Late
Bernard
Zinsmeyer

Texas descendants of the Finger family are mindful of the contribution made by their San Antonio cousin, Bernard Zinsmeyer, who died at the age of 46 on Jan. 5 of this year. It was through his untiring efforts that the 1972 reunion was made possible.

'Vielen Dank' say visitors

By Edna McDade

"Vielen Dank fur die Party. Sie war herrlich!" (Many thanks for the party. It was great!)

These phrases, from an English-German "Microdictionary" as published in a Texas State Historical Survey Committee Report, probably express what Eduard and Johanna Finger of faraway Niederentzen, a small French village, might have said to their Medina County kinsmen hosts after the annual Finger family reunion held in D'Hanis last Sunday.

The Old World Fingers were honor guests at the happy event. Kissin' cousins and hand-shaking Fingers by the familyful were there (about 470 of them) to bid a Texas-size welcome to their long lost cousins on their first visit to America. Neither Eduard nor Johanna speak a word of English but everyone seemed to understand what everyone else was saying in the babel of voices that might have passed for Esperanto as used for international auxiliary communication. Alsatian was the leavening language that leavened the whole.

The story of the visiting cousins adds a heart-warming chapter to the history of this southwestern Texas county which began with its settlement in the mid 1800's by Alsatian and German pioneers who included members of the Finger family.

The complete story of how Eduard and Johanna were found and selected for the courtesy visit was told by a cousin, Jack Finger, whose "Fistful of Fingers Grows Two More" appeared in the April 14 issue of The San Antonio Express.

It is with his permission that pertinent facts are included here, some almost verbatim. This version is not intended as anticlimactic but is here published as requested by many of the Fingers.

family and friends "for future Fingers and for scrapbook preservation."

Among the early day settlers who came to this part of Texas were Joseph and Regina Zercher Finger and their five-year old son, Joseph, Jr., who migrated in 1848. They were descended from Michael and Maria Agatha Beltz Finger who lived less than a mile from the village of Niederentzen during the last part of the 18th century.

Their son, Joseph, married Mary Enderle of Vandenburg (on Verde Creek close to the Decker home). They became the parents of 10 children: Joseph, William, Anna, Edward, Henry, John, Mary, Charles, Frank and Alfred, all now deceased.

It was the late Bernard Zinsmeyer of San Antonio (son of Martin A. Zinsmeyer and the late Mrs. Zinsmeyer of D'Hanis) and grandson of Anna, who found Eduard and Johanna Finger in France.

At the 1971 family reunion, Bernard, who was ill with cancer and knew he would not attend the next reunion, reported in detail about the new found cousins and his plans for them to attend this year's traditional gathering.

It was he who initiated a volunteer contribution plan to finance the long journey for the visitors who earn only a modest living by farming limited acreage in their native land. Bernard, who spoke Alsatian, was assisted in the plans by two cousins, J. Melvin Finger of Hondo who also speaks Alsatian, and Mike Finger of D'Hanis who is stationed in Geneva, Switzerland, and who speaks French.

In complete accord with the exciting project, the Finger families here added to the volunteer fund which

covered travel and entertainment expenses for their guests who arrived in Houston April 9th. There they were met by Charles and Henry Martin Finger, Mrs. Josie Rothe Finger, Mrs. Bertha Koch Bowen, Joe W. Rothe, David Zinsmeyer (Bernard's brother) and the J. Melvin Finger's whose house guests they now are.

Kay Finger told me Monday that Eduard and Johanna admit to having what their American cousins might call "a ball", with never a dull moment in the kaleidoscope of hospitality and entertainment being provided for them. Eduard is a "shutter bug" and has taken pictures of almost everything to show the folks back home. His wife protests jokingly, "It's no use. Who in Niederentzen will believe all this -- the beautiful land, the grass, the flowers, the ranches, the beautiful homes from the old in Castroville to the modern ones everywhere."

Cows are of particular interest, as are pigs, for their agricultural venture includes a small operation of both. Another revelation was the sight of "land chaining" in progress at the Jerome Finger Ranch where huge oak trees were being felled "like magic".

"Even in Alsatian, there is a limit to adjectives," Johanna implied. Her English, Kay Finger told me, now includes an approving "OK, Kay" with a smile to fill in the missing words.

Deer and wild turkey on the open range, an occasional rattlesnake bound elsewhere, the amazing amount of farm machinery equipment, unbroken vistas of wide open country, all these novel sights called for more exclamations of appreciative enjoyment from the visiting Finger cousins.

At the home of Tom and Anne Finger, D'Hanis, where they stopped for rest and refreshments one afternoon, a song fest included "Alouetta", as nostalgic a tune to Johanna as Eyes of Texas might be to a Teasipper afoot in Niederentzen.

"Johanna has a clear strong voice," said Kay, "and she made the rafters ring with her rendition of Alouetta. We all limped along with her and thought we sounded pretty good!"

Of the Fingers who attended the 1972 reunion, Aunt Fanny Finger, 87, was the oldest present. Eric, two weeks old son of Kenneth and Mary Fohn Bendele, was the youngest. J. Melvin Finger was the busy and congenial Master of Ceremonies who saw to it that everyone was properly identified and introduced.

The reunion festivities began immediately after the families had attended an "Old fashioned Latin Mass", celebrated by the Very Rev. Victor Schmidtinsky, pastor of Holy Cross Church.

The family of the late John and Emma Rothe Finger were present for their first reunion since the death of their father. In the group were Evelyn Boone, of Hondo; John Finger, Dallas; Mary Emma Knapp and her husband, Gen. James Knapp of Illinois; Charles Finger and Frances Finger Ferguson of Houston; Herman (Hoss) Finger, Hondo;

Social Security Questions & Answers

QUESTION: I have been getting monthly social security disability benefits for nearly 6 months. Now I find I'm also eligible for benefits — under a private plan from my employer will not affect your monthly benefits from social security. However, workmen's compensation benefits could affect your social security disability payments, and if you become entitled to workmen's compensation, you should report it to the Social Security Administration right away.

QUESTION: I've been offered a job as custodian of an apartment building. The pay includes both cash wages and a free apartment for myself. Will my employer and I have to pay social security contributions only on the cash wages?

ANSWER: No. Your employer must include the value of the apartment as part of your salary. The apartment is considered "wages in kind." Social security contributions must be paid on this as well as your cash wages. QUESTION: I have been paying social security contributions for over 20 years and so has my wife. Since she can get a monthly benefit as a wife on my record when I retire, why does she also have to pay social security contributions?

ANSWER: Everyone who works at a job covered by social security must pay contributions. More important, however, your wife, as a worker, has social security protection in her own right. If she becomes severely disabled before reaching retirement age, she might qualify on her own earnings record for monthly disability checks. And, when she retires, she can get retirement benefits on her own earnings record even if you decide to keep on working. In most cases, her retirement benefit check would generally be more than the check she would receive as a dependent wife. If she should die while your children are young, they could get monthly survivors benefits on her earnings record.

Parties honor recent bride

Before her marriage to Glenn Keller Jr., Miss Tricket Morawietz was feted with several pre-nuptial parties, including a miscellaneous shower-tea at the American Legion Hall, Castroville.

The honoree's light green hotpant ensemble was accented by a corsage of yellow daisies, her chosen flower. She was joined in greeting the guests by her mother, Mrs. Alois Morawietz; her fiancée's mother, Mrs. Glenn Keller; her godmother, Mrs. Adrian Richter; and her fiancée's grandmother, Mrs. Walter Stein. All wore white carnation corsages.

Over 100 guests registered in the bride's book at which Mrs. Clyde Tschirhart, sister of the honoree, presided.

Mrs. Robert Stanush, another sister, and Misses JoAnn Bendele and Barbara Debnar were in charge of the gifts.

A white cloth covered the serving table that was centered with a composite arrangement of white and yellow daisies surrounded by tall white tapers. The chocolate cake, iced in yellow, was decorated with daisies and ribbon. Nuts, mints, dips, chips, coffee, punch and cold drinks were served by Mrs. Jimmy Crouell and Miss Donna Morawietz, sisters of the honoree, and Mrs. Douglas Morawietz, her sister-in-law.

Small daisy centerpieces were placed on the individual guest tables.

A Spanish-style cedar chest and a vacuum cleaner were gifts from the 121 hostesses.

COURTESIES

A linen shower was held at the home of Mrs. Marion Tschirhart in Castroville. Miss Morawietz and the

mothers of the engaged couple were given corsages of daisies trimmed with yellow net and ribbon.

The 15 guests enjoyed playing buncos and made rice bags. The daisy motif decorated the serving table. Cake and punch were served.

The hostess gift was an assortment of linens from Mmes. Douglas Morawietz, Clyde Tschirhart, Robert Stanush, Jimmy Crouell and Miss Donna Morawietz.

The James McAnelly home, Castroville, was the setting for a personal shower for Miss Morawietz who wore a yellow and orange pantsuit, accented by a yellow daisy corsage, a gift from the hostesses.

White carnation corsages were given to the mothers by the hostesses who included Misses Vild McAnelly, Julie Schneider, Edith Bippert and Donna Morawietz and Mmes. David Schulte and Danny Nelson.

A hot-shaped cake, was decorated in green and yellow, the honoree's chosen colors. Lime sherbet punch and mints were served to the 15 guests.

The hostess gift was a hostess gown and other personal gifts.

Rickey Kellers are at home in Castroville

Miss Clara Rose Wurzbach and Mr. Rickey J. Keller were married in St. Louis Catholic Church, Castroville, on February 12, 1972. The mid-afternoon double-ring ceremony was officiated by the Rev. Larry Steubben. The wedding united two of Medina Valley's prominent families.

Parents of the couple are Mr. and Mrs. Clarence P. (Dr. Fay S.) Wurzbach of Rio Medina and Mr. and Mrs. Clifford J. Keller, Sr., of La Coste.

Mr. and Mrs. Rickey Keller are now making their home in Castroville.

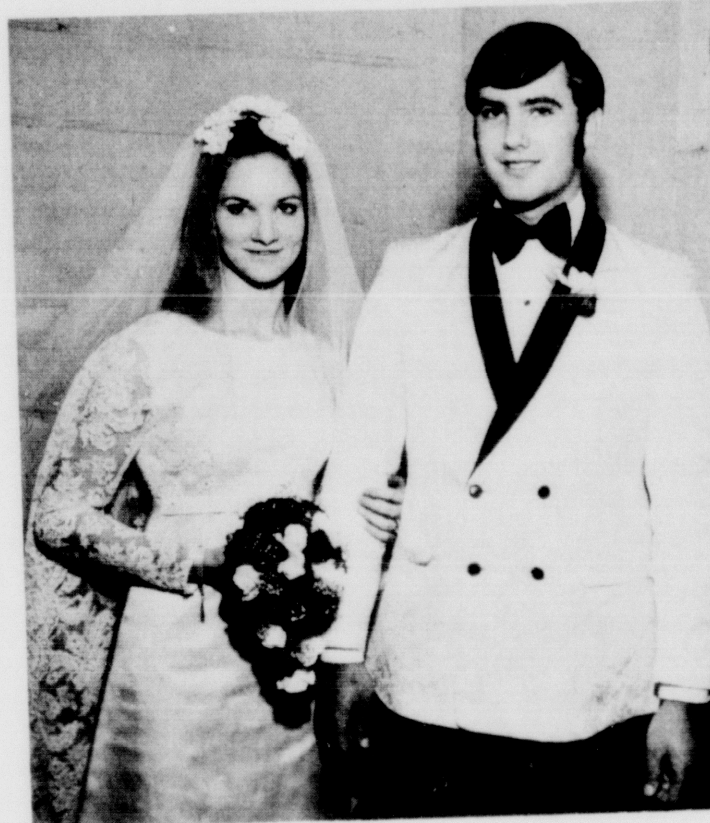

Bridal attendants included Miss Pam Schuchart, maid of honor; and bridesmaids, Misses Mary Beth Jungman, Barbara Debnar and Donna Salzman. Helen Wurzbach was junior bridesmaid and Scott Keller was ring bearer. Mr. Wurzbach gave his daughter in marriage.

Attending the bridegroom were C. J. Keller, Jr., as best man, and groomsmen Glenn Naegelin, Morris Salzman, Allen Wurzbach and Jeff Haby. Ushers were Milton Salzman, Jr., and Dale Schuchart.

At the reception in Koenig Park, which followed the ceremony, Miss Ann Stein presided at the guest book. Misses Karen Zinsmeyer, Brenda Haby and Dianne Haby assisted in serving.

JACK WINKLER MOTORS

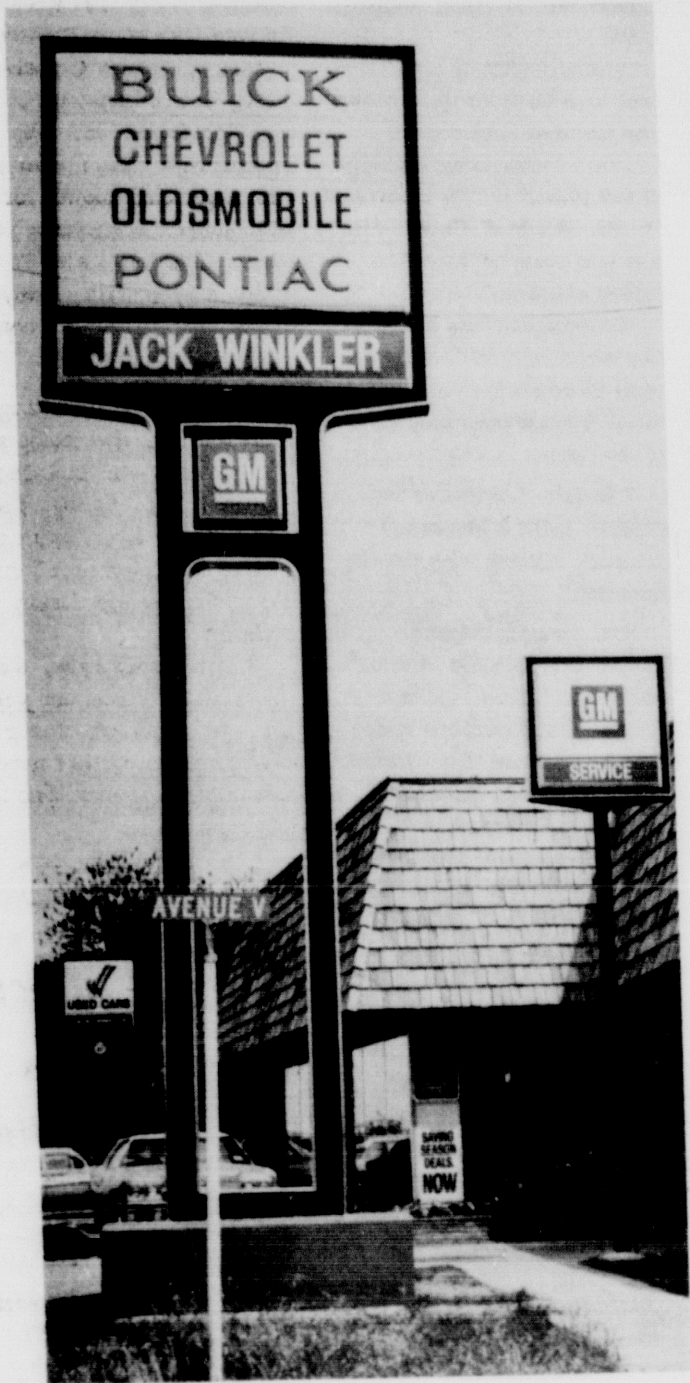

20 Years in Business

Says More Than

That We're

20 Years Old

It says
we must be
doing
something
right

We started with quality automobiles.

But we didn't stop there. We added service people whose experience means our work is done right the first time.

And when we hired salesmen, we made sure they were the kind of men who'd rather make a friend than make a sale.

We're proud of our success.

But we're also thankful to all of you who have counted on us over the years.

We pledge to continue to offer you the service, sales, and automobiles that have kept you coming back.

115 Years of Service

These six personnel at Jack Winkler Motors have served Car Buyers and Car Owners of South Texas for a total of 115 years. They are from left to right:

Milton Renken, 20 years; Joe Ramirez, 20 years; Thelka Wengenroth, 17 years; Jack Winkler, 20 years; Elton Lutz, 18 years; Harvey Renken, 20 years.

Don't buy us because we're number one.
Buy us for the reasons that make us number one.

Anybody can make a truck small. That's not the problem. The secret is building a truck that's just exactly small enough. Big enough to do the job, and then some. Small enough to do it economically. That's what's made the Datsun L11 Huster America's number one selling small truck. For eleven years, we've been learning about exactly what America wants in a

small truck. And we've been delivering it. The Datsun L11 Huster has an overhead cam engine powerful enough for highway speeds and back road hauling, small enough for maximum economy.

The big six-foot all-steel load bed is just the right size for 9 out of 10 truck owners. The 1,440-pound gross load capacity is perfect for almost everyone's

needs, from recreation to heavy labor. What's more, we back up the L11 Huster with a nationwide computerized parts distribution system and a factory-trained service staff.

Is it any wonder Datsun is America's number one selling small truck?

Cards of thanks

I want to expres my sincere thanks to everyone for their visits, cards, prayers and flowers while I was in Medina Memorial Hospital. Special thanks to Drs. Parker and Walter Meyer, also the nurses staff and Rev. Dubberly, Rev. Hanneman, Father Carolan and Rev. Reid for their visits and prayers. May the Lord bless each ofyou.
Andrew Muennink 4-20-1tp

To those who expressed their sympathy in so many beautiful and practical ways during our recent bereavement, we extend heartfelt thanks.

ELECT ALVIN SANTLEBEN SHERIFF OF Medina County

AT THE MAY 6 DEMOCRATIC PRIMARY

Alvin Santleben is a native of Medina County, the son of the late Mr. and Mrs. William C. Santleben of LaCoste. He has been married to the former Carmen Tondre of Castroville for the past 24 years. They have four children, Al Santleben, Jr. of LaCoste, Mrs. Elaine Persyn of San Antonio, Mrs. Dale Ann Jagge of Rio Medina and Carl Santleben of LaCoste.

His formal training as a police officer consists of successful completion of over 20 police courses in burglary, robbery, search and seizure, firearms training, report writing, techniques of interrogation, preservation of evidence, crime scene search, surveillances, fingerprinting, theft, and numerous other related police subjects.

He is a member of the LaCoste Hermann Sons Lodge #261, LaCoste Lions Club, Texas Police Association, Justice of the Peace and Constable Association of Texas, and is a member of the Alamo Area Council of Governments from Medina County.

(Pol. Ad. Pd. By Alvin Santleben)

Let's put government into hands we can depend on

When scandal rocks our state government, as it has for more than a year, it is time for Texans to take the reins of government and place them once again into the hands of an honest, capable man. This is a time when Texans need a man to believe in. A man like Dolph Briscoe. His successful experience in business and agriculture, his work in government to provide farm-to-market roads and to eliminate the screwworm have

proven him a man Texans can depend on when solutions are needed. His unquestioned reputation for honesty and integrity stand him head-and-shoulders above his opponents. Never has Texas been offered such unacceptable candidates for the office of governor. And never has Texas so urgently needed a man like Dolph Briscoe.

May 6, elect Dolph Briscoe governor.

elect DOLPH BRISCOE governor

Hondo Eagles slam NB Cubs 15-0, 12-2 Sunday

Local baseball fans saw double action Sunday when the Hondo Eagles whipped the New Braunfels Cubs 15-0 and 12-2 in a doubleheader at Pruneda Baseball Park.

The Eagles took the opener behind the pitching of Johnny Abrego and Ben Ybarra who combined for a seven hit shut-out.

Faseler, Gavin, Rusty Beard, Salazar and Santos led the Eagles batters with two hits each. Rusty Beard came up with a three-run

homer in the fourth inning of the opening game.

In the second game, Dave Beard and Marin Garcia performed mound chores and combined for a 12-2 win. Beard went three innings and gave up two hits and two unearned runs. Garcia pitched two scoreless innings.

Wee Arcos and Marin Garcia led the Eagles at the plate with two hits each, with Arcos belting a single and a home-run and Garcia getting a single and triple. The Eagles

garnered 12 hits in the game.

Sunday, the Eagles travel

to New Braunfels to take on the New Braunfels Braves.

This will be a Hill Country League battle.

FAST CAR DRIVERS

These Hondo Cub Scouts show off the plaques they won for fancy manipulation of their racers in the Pinewood Derby. Winning racers are, seated left to right: Kevin Long, Brian Van de Walle; Standing: Steven Graff, Ray Lutz, Brian Bader.

Banquet set Monday

The Hondo FFA Parent And Son Banquet will be held Monday Night April 24th in the Hondo High School Gym at 8:00. The meal, to be prepared by the cafeteria staff, will be served by Future Homemakers members.

Some of the program highlights will be special recognition of boys who have excelled in Vocational Agriculture and FFA activities. Kenneth Graeber, former State FFA President, now with the Texas Experiment Station in Uvalde, will give the banquet address.

Wayne Stein, Hondo FFA chapter president, will serve as toastmaster. He will also present the special awards to FFA members.

Weldon Honig will give the welcome and Mr. Lloyd Hardt will respond. Aginaldo Aguilar will give the invocation.

Jeff Hilsher will give proper recognition to all guests. The Year in Review, or "Backward Glance" will be given by Billy Bryant and Joe Santos.

The Soil Conservation essay contest medals will be presented by Mr. Harlan Wolff, district director.

Frank Aelvoet and Terry Teague will report on the FFA Leadership and Judging Contests.
